### EXPLANATORY NOTE

(This Note is not part of the Order but is intended to indicate its general purport.)

This Order introduces lengths of yellow line (“no waiting at any time”) in lengths of Priory Road, Kew and Stanley Road, Twickenham.

In Priory Road, Kew it is proposed to introduce double yellow lines across the entrance to Cecil Court.

In Stanley Road, Twickenham, it is proposed to extend the lengths of the existing double yellow lines on either side of its junction with Golf Side.

### STATEMENT OF REASONS

The Council receives reports from time to time on matters of road safety caused by parked vehicles and these may come from residents, Councillors, Council officers or bus and emergency services. These matters include poor sight lines at junctions, obstruction of footway crossing points, lack of suitable passing areas and reduced carriageway width restricting or preventing access for vehicles especially emergency service vehicles.

This Order is intended to improve road safety for all users by introducing waiting restrictions “no waiting at any time” at the locations contained within the Notice of Proposals, Proposed Traffic Management Order and accompanying drawings. Similar restrictions have proved effective in locations elsewhere in the borough that previously suffered similar problems.
