

ROAD TRAFFIC REGULATION ACT 1984

THE LONDON BOROUGH OF RICHMOND UPON THAMES (OFF-STREET PARKING  
PLACES) (CIVIL ENFORCEMENT) ORDER 201\*

**PARKING CHARGES AT OFF-STREET CAR PARKS**

(Reference 15/044)

1. The Council of the London Borough of Richmond upon Thames proposes to make the above Order under sections 32, 35 and 124 of, and Part IV of Schedule 9 to, the Road Traffic Regulation Act 1984, as amended.
2. The general effect of the Order will be to amend the current Order so as to introduce various changes to the charges for parking in off-street car parks in the London borough of Richmond upon Thames.
3. The principal features of the proposed order will be to:-
  - (a) introduce a new scale of charges which are the same for all classes of vehicle;
  - (b) make variations to the prices for Car Park Season Tickets;
  - (c) retain the concept of discounted parking charges so that they are available only to residents of the borough, with a further discount available to residents aged 75 or over.
4. The new scale of parking charges, before any discounts are applied, are referred to in this Notice and the proposed order as the "Tier 3" charge. The standard charges currently in force will be increased by an average of 8%

The charge, as calculated from the above, will be rounded:-

- (a) to the nearest 5 pence for any parking period in respect of pay and display car parks (see Schedule 1); or
  - (b) to the nearest 10 pence for any parking period in respect of pay-on-foot car parks (see Schedule 2),in both cases according to the smallest denomination of coin which the equipment can accept, and this rounding will apply also to the discounted charges (see paragraphs 5 and 6).
5. For residents of the borough under the age of 75, the discount referred to in Paragraph 3(c) will be 10% of the Tier 3 charge or free parking for a stay of no more than 30 minutes. For the purpose of this Notice and the proposed order, this is known as the "Tier 2" charge.
6. For residents over the age of 75, the discount will be 20% of the Tier 3 charge or the concessionary free parking period for a stay of no more than 30 minutes. For the purpose of this Notice and the proposed order, this is known as the "Tier 1" charge.
7. Nothing in this Notice or in the proposed order will prevent the Council from using other terms or expressions to indicate the three-tier charging structure in publicity material or at the time when the new charges may or will come into force.
8. Details of the current standard charges at all pay and display car parks are given in Schedule 1 to this Notice together with details of the proposed variation to the standard charge. Details in respect of the pay-on-foot car parks are given in Schedule 2. For the sake of completeness, a list of the car parks where parking is currently free is given in Schedule 3.

9. The proposed order includes the complete tariff applicable to each car park for the hours when parking is permitted and for the different parking periods which may be purchased, both of which vary from car park to car park.
10. Charges for season ticket charges will be subject to the 8% increase referred to in paragraph 4 above. No discounts will be given to residents or to residents over 75. A table showing the current and proposed charges is given in Schedule 4.
11. Copies of the proposed Order, plans showing the location of the car parks and the Council's Statement of Reasons for proposing to make the Order can:-
  - (a) be inspected, quoting Reference 15/044, at the Civic Centre (Central Reception, ground floor), 44 York Street, Twickenham between 9.15am and 5pm on Mondays to Fridays, except for Bank and other public holidays; or
  - (b) be viewed on the Council's web-site at [http://www.richmond.gov.uk/public\\_notices](http://www.richmond.gov.uk/public_notices)
12. Persons wishing to object to or support the proposals or any part thereof should write to the Highway Infrastructure Manager, Civic Centre, 44 York Street, Twickenham TW1 3BZ within 28 days of the date of this Notice giving the grounds of their objection. Representations may also be sent by email to [highwaysandtransport@richmond.gov.uk](mailto:highwaysandtransport@richmond.gov.uk).

      - (1) uses a RichmondCard to obtain a parking ticket from a ticket machine at any car park specified in Schedule 1 and which ticket is then displayed in the vehicle as provided for in Article 7(9) of this order; or
      - (2) uses a RichmondCard to validate a ticket when using a machine in any car park specified in Schedule 2 in accordance with instructions displayed in the car park; or

- (2) If at any time when a vehicle is left in a parking place and no indication appears on a hand-held device that payment of the parking charge has been made using the telephone payment parking system, or an indication that the parking period for which payment was made has expired, it shall be presumed, unless the contrary is proved, that either:-
- (a) the parking charge has not been duly paid in respect of that vehicle; or
  - (b) the parking period for which payment was made has already expired on the date the notice was served; or
  - (iii) the twenty-eighth day in the case of a penalty charge, beginning on the date the notice was served;

For the purposes of this Article, no card issued by either the American Express group of companies or Diners Club International (or a card issued in the name of these organisations by any franchise of these organisations or other company or business holding rights to issue such cards) shall be deemed to be an approved card.

- (2) If payment has not been received on or before the day stated in paragraph (1)(iii) above, the Council may attempt recovery of the civil debt as provided for by the Traffic Management Act 2004.
