## EXPLANATORY NOTE

This Order introduces a new parking scheme in St Margarets, Twickenham. The St Margarets Riverside zone is given the designator letters "S3".

This Order reflects the proposals as a result of consideration by the Council in consultation with residents.

## STATEMENT OF REASONS

The area of St Margarets (north of the A316) is situated outside two existing community parking zones – the St Margarets South CPZ and the St Margarets North CPZ, and is a popular area for commuters and others to park without restriction. Having consulted with residents, the Council is satisfied that the introduction of parking controls in the group of roads to the north-west of Twickenham Bridge will serve to eliminate such unrestricted parking on weekdays in these streets and will benefit the residents within this local area.
