EXPLANATORY NOTE

The Council has agreed that the Kew Community Market may be held on a part of Station Approach and all of Station Parade, and there is no other place where it may conveniently be held other than on these roads. This order, made with the consent of the Secretary of State, provides for the said roads to be closed to facilitate the event on the dates detailed in the Schedule to this order.

The order provides for the roads affected by the market to be closed and for waiting restrictions to apply. Station Approach and Station Parade form a one-way system in a clockwise direction around two sides of a triangular block. The one-way working is suspended whilst the said roads are closed, and this will allow two-way working in the part of Station Approach not affected by the market and to which the public has unrestricted vehicular access.
