

ROAD TRAFFIC REGULATION ACT 1984

THE LONDON BOROUGH OF RICHMOND UPON THAMES (ON-STREET PARKING
PLACES) (PARKING CHARGES) ORDER 201*

PARKING CHARGES FOR ON-STREET PAY AND DISPLAY AND VOUCHER PARKING
(Reference 16/151)

1. The Council of the London Borough of Richmond upon Thames proposes to make the above Order under sections 45, 46, 49 and 124 of, and Part IV of Schedule 9 to, the Road Traffic Regulation Act 1984, as amended.
2. The general effect of the Order will be to amend the current order, which sets out the conditions under which drivers may park on-street at any pay and display bay or voucher parking bay in the borough and to re-make that order but with significant changes to tariffs.
3. The principal features of the proposed order will be to:-
 - (a) introduce a new scale of charges which are the same for all classes of vehicle;
 - (b) make variations to the charges for vouchers.
4. The new parking charges, before any discounts are applied, are referred to in this Notice and the proposed order as the "Tier 3" charge. The proposed charges will be based on the existing standard charges which are to be increased by an average of 8%. The charge will be rounded to the nearest 5 pence for any parking interval, this being the smallest denomination of coin which the equipment can accept, and this rounding will apply also to the discounted charges (see paragraphs 5 and 6).
5. For residents of the borough the discount will be 10% of the Tier 3 charge or, for a stay of no more than 30 minutes, parking will be free of charge. For the purpose of this Notice and the proposed order, this is known as the "Tier 2" scale of charges. Any charge will be rounded to the nearest 5 pence.
6. For residents over the age of 75 the discount will be 20% of the Tier 3 charge or, for a stay of no more than 30 minutes, parking will be free of charge. For the purpose of this Notice and the proposed order, this is known as the "Tier 1" scale of charges. Any charge will be rounded to the nearest 5 pence.
7. Nothing in this Notice or in the proposed order will prevent the Council from using other terms or expressions to indicate the three-tier tariff in publicity material or at the time when the new charges will or may come into force.
8. In all zones where pay and display parking is available, the existing charges and proposed charges are detailed in Schedule 1.
9. Six zones within the borough are designated as voucher parking zones. The Council is proposing that the cost of parking vouchers should increase by an average of 8% in line with the principles stated in paragraph 4 above. No discounts or free parking period will be offered when using vouchers. The following tables list the parking zones affected, the maximum stay applicable to each zone and the existing and proposed costs of vouchers.
