<sup>a</sup> 1978 c.40

- (3) Medical practitioners' vehicles: The controls specified in article 3(1) and (2) do not apply in respect of a person causing a vehicle to be parked, in accordance with the provisions of article 8, on a length of red route specified in column (2) of the table in schedule 2F, during the hours specified in column (3) in that item, provided that-
- (a) there is displayed in the windscreen of the vehicle a permit issued by, or with the authority of, Transport for London to a medical practitioner, and which specifies:
    - (i) the name of the person to whom it was issued, and
    - (ii) the premises in relation to which it applies; and
  - (b) the vehicle was parked by, or with the permission of, the person whose name is specified on the permit and for so long only as the person who parked the vehicle is engaged in work at the premises specified on the permit.
- (4) Solo motor cycles: The controls specified in article 3(1) and (2) do not apply in respect of a person causing a solo motor cycle to be parked, in accordance with the provisions of article 8, on a length of red route specified in an item in column (2) of the table in schedule 2G, during the hours specified in column (3) in that item.

## **6. Exemptions for loading and unloading**

The controls specified in article 3(1) and (2) do not apply in respect of a person causing a vehicle to be stopped, in accordance with the provisions of article 8, on a length of red route specified in an item in column (2) of the table in schedule 3A or 3B, during the hours specified in column (3) in that item, provided that the vehicle is stopped only for the purposes of loading or unloading that vehicle for as long as is necessary or for a period of 20 minutes, whichever is the less, and provided that not less than 20 minutes has elapsed since the vehicle was last parked on any part of the same length of red route.

## **7. Exemptions for disabled persons**

- (1) The controls specified in article 3(1) and (2) do not apply in respect of a person causing a vehicle displaying a disabled person's badge in the relevant position to be parked, in accordance with the provisions of article 8, on a length of red route specified in an item in column (2) of the table in schedule 2B, during the hours specified in column (3) in that item.
- (2) The controls specified in article 3(1) and (2) do not apply in respect of a person causing a vehicle displaying a disabled person's badge in the relevant position to be parked, in accordance with the provisions of article 8, on a length of red route specified in column (2) of the table in schedule 2C, during the hours specified in column (3) in that item.

- (3) The controls specified in article 3(1) and (2) do not apply in respect of a person causing a vehicle displaying a disabled person's badge in the relevant position, and a parking disc on which is shown the time at which the period of parking began, to be parked, in accordance with the provisions of article 8, on a length of red route specified in an item in column (2) of the table in schedule 3A, during the hours specified in column (3) in that item, for a period of up to 3 hours, provided that not less than 1 hour has elapsed since the vehicle was last parked on any part of the same length of red route.

## **8. Manner of parking or Stopping**

Whenever a vehicle is parked or stopped on a length of red route specified in an item in column (2) of a table in schedule 2D, or in an item in column (2) of a table in schedule 2B, 2C, 2E, 2F, 2G, 3A or 3B during the hours specified in column (3) in that item, the vehicle shall stand either wholly within:-

- (1) an area of carriageway comprised in that length of red route which is bounded on one side or sides by the edge of the carriageway of that length of red route and on the other side or sides by a traffic sign indicating the limits of the area of carriageway within which a vehicle may be parked; or
- (2) an area of footway, carriageway or an area of both footway and carriageway comprised in that length of red route which is bounded on all sides by a traffic sign indicating the limits of the area of footway, carriageway or the area of both footway and carriageway, as the case may be, within which a vehicle may be parked.

## **9. Exemptions at bus stops and stands**

- (1) The controls specified in article 3 (1) and (2) do not apply in respect of a person causing-
  - (a) a bus to stop at a bus stop for as long as may be required to enable passengers to board or alight; or
  - (b) a bus to stop at a bus stop or a bus stand and being used for operational reasons in the course of providing a London local service (as defined in section 179 of the Greater London Authority Act 1999<sup>a</sup>) under an agreement with Transport for London or training drivers to allow such a service to be provided.
- (2) In this article "operational reasons" means-
  - (i) to enable passengers to board and alight; or
  - (ii) to enable crew changes to take place; or
  - (iii) to maintain the scheduled timetable subject, in the case of a bus stop, to a maximum wait of two minutes.

---

<sup>a</sup> 1999 c.29

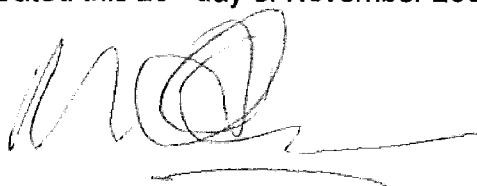

## **10. Other exemptions**

- (1) The controls specified in article 3(1) and (2) do not apply in respect of a person causing a vehicle to stop if that person is-
  - (a) required by law to cause the vehicle to stop or not to proceed;
  - (b) obliged to stop the vehicle so as to avoid an accident;
  - (c) prevented from proceeding in the vehicle by circumstances beyond the person's control;
  - (d) getting or giving help in consequence of an accident or an emergency, or otherwise taking action for public safety;
  - (e) opening or closing a gate or other barrier at the entrance to premises to which the vehicle is being driven or from which it has emerged, if it is not reasonably practicable to cause the vehicle to stop elsewhere for the purpose;
  - (f) using the vehicle on any occasion for fire brigade, ambulance or police purposes if the observance of those provisions would hinder the use of the vehicle;
  - (g) using the vehicle in connection with the removal of any obstruction to traffic;
  - (h) using the vehicle in connection with the maintenance, improvement or reconstruction of a red route;
  - (i) using a London Taxi or London private hire vehicle to stop for so long only as may be required to enable a passenger to get on or off the vehicle;
  - (j) using a vehicle displaying a disabled person's badge in the relevant position to stop for so long only as may be required to enable a disabled person to get on or off the vehicle;
- (2) The controls specified in article 3(1) and (2) do not apply in respect of a vehicle bearing a livery which is used by a universal service provider and which is stopped at the edge of the carriageway of a red route for as long as may be necessary for the purposes of the provision of a universal postal service.
- (3) The controls specified in article 3(1) and (2) do not apply to anything done with the permission or at the direction of a police constable in uniform or a parking attendant.
- (4) The controls specified in article 3(1) and (2) do not apply in respect of a person causing a pedal cycle to be parked at a facility specifically provided for the purpose of pedal cycle parking by, or with the consent of, the highway authority.

## **11. Revocation of certain provisions in existing Orders**

- (1) Subject to paragraphs (2) and (3) of this article, provisions of the Orders specified in the Annex to this Order, are hereby revoked in so far as those Orders establish red route controls within the roads or lengths of roads specified in schedule 1 of this Order.
- (2) Where other provisions of Orders specified in paragraph (1) of this article concern lengths of GLA Roads or GLA Side Roads, other than those specified in schedule 1 of this Order, then the provisions of those Orders shall continue in force.
- (3) Where the provisions of Orders specified in paragraph (1) of this article in relation to the roads specified in schedule 1 of this Order are varied by an order made under section 9 of the Road Traffic Regulation Act 1984, then those provisions shall continue in force, as varied, until the Order made under section 9 of that Act is revoked or expires.

on East Sheen Avenue, Beechwood Avenue, Connaught Avenue, Kent Road, Sutherland Gardens, North Road and the A316 Lower Richmond Road in the London Borough of Richmond Upon Thames.

### 3. The reason for introducing this Order is:

- (1) to facilitate the ongoing TfL London E-Scooter Trial in provision of parking facilities for operational use of fleet deployment by Operators and for customers to start and end their journeys in dedicated E-Scooter parking bays.
- (2) to facilitate the expansion of the number of E- Scooters being used as part of TfL London E-Scooter Trial, providing customers with a zero-emission micro mobility travel option in line with the Mayors transport strategy.
- (3) to facilitate dedicated parking spaces for rental e-cycles, providing customers with a zero-emission micro mobility travel option in line with the Mayors transport strategy and to provide dedicated bays for users to start and end their journeys.
