

1) How many new primary and secondary schools/academies are opening in 2016? How many school places will be provided in each school? Please can you list what they are called and whether they are primary or secondary schools.

None.

A) How many new primary and secondary schools/ academies are opening in 2017/2018/2019/2020/2021/ 2021+ (if no date has been allocated yet please say how many planning applications/ schools are expected to be built but please be clear as to which is a planning application and which schools have been given the go ahead).

2017 – one secondary: The Richmond upon Thames School

Please can you give me answers in numbers per year and separately for primary and secondary schools/ academies. Please can you also tell me the name of the school if they have one yet.

B) Also how many primary and secondary schools/academies (please answer separately for both) have opened within the last 10 years including 2006, 2007, 2008, 2009, 2010, 2011, 2012, 2013, 2014, 2015?

2013 – three primaries: St Mary’s Hampton, St Richard Reynolds Catholic Primary and Thomson House; and one secondary: St Richard Reynolds Catholic High

2015 – two primaries: Deer Park and Twickenham Primary Academy; and one secondary: Turing House

2) How many primary and secondary schools/ academies are extending their premises in time for 2016 intake of pupils? (please answer separately for both). How many school places will this create? Please complete sections a and b as above e.g. how many are planning to extend in the next 10 years, how many have extended in the last 10 years? How many school places will/ have been created?

Two primaries: East Sheen Primary and Hampton Infant (Hampton Junior will be expanded from 2019 onwards), creating 60 places per year (420 places in total).

3) How many primary and secondary schools/ academies (please answer separately for both) are using temporary schools and temporary classrooms for 2016 intake of pupils (please elaborate on how it is temporary). **One primary is using a spare room as a classroom.** How many places will this create? **30 (in 2016).** Please complete sections a and b as above e.g. How many schools used temporary accommodation over the past 10 years/ **18.** and how many are planning to use temporary accommodation in the next 10 years? **None.** How many places has this created? **1,020.**

4)How many primary and secondary schools are moving premises for 2016? In the next 10 years/ past 10 years - how many places will/ has this created?

None.

5) How many primary and secondary schools are acquiring new buildings for 2016?
In the next 10 years/ past 10 years - how many places will/ has this created?

If this includes expansions of existing schools then as per (2) above.

6) What other solutions are councils and schools coming up with for growing pupil numbers in both primary and secondary schools?

Please see link to cabinet report: <http://cabnet.richmond.gov.uk/Enc.%201%20for%20School%20Place%20Planning%20Strategy%20-%20update.pdf>

7) How many secondary and primary school pupils do you have a place for in 2016/2017 intake?

Primary: 2,662

Secondary: 1,872

8) How many secondary and primary school pupils do you not have a place for at the moment in 2016? How many places need to be created?

Primary: allocations not yet run, but expected to be none.

Secondary: none.

9) How are you achieving this?

N/A.

10) How many pupils will you need to find a place for in the next 10 years/ past 10 years - please break it down year by year if you can/ give any predictions.

2017 – primary: none; secondary – none

2018 – primary: 90; secondary – none

2019 – primary: 60; secondary – none

Detailed forecasts not yet made for years beyond 2019.
